A Question of Dignity Sheila D. Holt

Henry lay stiffly in the hospital bed... Rain fell quietly outside Henry's room, still more audible than the tears flowing down his cheeks. It was a gloomy day and would be the last for Henry Glass. Investigative journalist Rachel Scott has been assigned to research and write a story on the first legalized euthanasia clinic in the United States. Rachel's assignment spotlights a delicate societal question: Are the dying stripped of their dignity simply because they are dying? Rachel's research unravels a mystery compounded by greed, corruption, and deceit while simultaneously forcing her to face her own emotional trials and embark on a personal journey of reconciliation.
