He is the love of all her lives...

Grimm's Circle, Book 8

Thomas Finn, troublemaker, gunslinger, guardian angel...loner. More than a hundred and fifty years ago, he was shot in the back then brought back to life just in time to watch a demon masquerading as his best friend kill the love of his life.

Now, as a Grimm, he satisfies his need for vengeance hunting down demons like the ones that took Rebecca from him. His mission: kill as many as he can, then, when the time comes, go down in a blaze of glory. But with each kill, he comes closer to a line no angel should cross.

Her name was Rebecca. Then it was Tilly. Then Ada. Now, Kalypso. She's lived so many lives, she can't even remember when or why it started. All she knows is, she's always searching for a man with golden eyes that make her burn. And when she finds him—as she always does—she knows that spark of joy means she's only seconds away from death...again.

This time will be no different...unless something breaks the cycle once and for all.

Warning: Contains the Groundhog Day of star-crossed lovers, a pissed-off guardian angel, a demon-hunter with an axe to grind, and the battle to end all battles. Be warned...there's pain ahead in this book. Oh, and that HEA finally happens. For these two, anyway.
