Greek Tragic Theatre (Understanding the Ancient World)

Rush Rehm

Greek Tragic Theatre (Understanding the Ancient World) Rush Rehm

Emphasizing the political nature of Greek tragedy, as theatre of, by and for the *polis*, Rush Rehm characterizes Athens as a *performance culture*; one in which the theatre stood alongside other public forums as a place to confront matters of import. In treating the various social, religious and practical aspects of tragic production, he shows how these elements promoted a vision of the theatre as integral to the life of the city - a theatre focussed on the audience.
