This book focuses on key sermons by Edwards, showing readers how his insights can be applied to the challenges of living the Christian life in the twenty-first century. Edwards reminds us of our duty to live on earth in light of heaven and to endeavor to bring the realities and the beauty of heaven to earth-even if only in miniature. This book is for all believers wondering how to live on earth with a view of heaven, and those familiar with Edwards's works will have a special appreciation for this study.
