Secularism, Catholicism, and the Future of Public Life: A Dialogue with Ambassador Douglas W. Kmiec

How can religion contribute to democracy in a secular age? And what can the millennia-old Catholic tradition say to church-state controversies in the United States and around the world? *Secularism, Catholicism, and the Future of Public Life*, organized through the work of the Institute for Advanced Catholic Studies (www.ifacs.com), responds to these questions by presenting a dialogue between Douglas W. Kmiec, a leading scholar of American constitutional law and Catholic legal thought, and an international cast of experts from a range of fields, including legal theory, international relations, journalism, religion, and social science.
