- the home front
- the battles, both in the East and the West
- the status of slaves
- women's role in the war and its aftermath
- literature and public life
- international aspects of the war
- and much more!

Students will also find helpful study aids on the companion website for the book. *A House Divided* provides a short, readable survey of the Civil War and the Reconstruction period afterward, focusing not only on the battles, but on how Americans lived during a time of great upheaval in the country's history, and what that
