If the Apostles were alive today, they would not recognize the messages preached in most pulpits today. They would say this is "Another Gospel". The Spirit of Christ is yelling out to the Body of Christ to go back to the "Organic Gospel". There is a massive exodus happening around the world as people are leaving Religion in droves. However, as many people are being released from the bondage of Religion, there is a deep longing inside of every individual asking, where do I go from here? Father or Pimp: The Organic Gospel answers this burning question inside of humanity. For generations the "Pimp Religion" has committed slander against Father God and copyright infringement on a hope-filled message sent from Father God to his lost children. All across the world we can hear how the Father's message has been manipulated by the thoughts of Greek Philosophers and power hungry men. In this book there is a faceoff between the "Pimp Religion" and Father God over a timeless message entitled the "Gospel".
