**Material Girls** Elaine Dimopoulos

In Marla Klein and Ivy Wilde's world, teens are the gatekeepers of culture. A top fashion label employs sixteen-year-old Marla to dictate hot new clothing trends, while Ivy, a teen pop star, popularizes the garments that Marla approves. Both girls are pawns in a calculated but seductive system of corporate control, and both begin to question their world's aggressive levels of consumption. Will their new "eco-chic" trend subversively resist and overturn the industry that controls every part of their lives?

Smart, provocative, and entertaining, this thrilling page-turner for teens questions the cult like mentality of fame and fashion. *Are you in or are you out?*
