Quench the Lamp

Quench the Lamp Alice Taylor

A classic memoir from Ireland's favourite storyteller. Here Taylor follows *To School Through The Fields* with these equally captivating recollections of family life in pastoral County Cork. Infused with wit and lyricism, the story centres on the 1950's when the author and her friends were teenagers. She describes the past vividly and without complaint as the years of hard labour for herself, parents and siblings, were also filled with fun in the close knit community.
