Resistance (Replica) Jenna Black

Resistance is the second installment in acclaimed author Jenna Black's YA SF romance series.

Nate Hayes is a Replica.

The real Nate was viciously murdered, but thanks to Paxco's groundbreaking human replication technology, a duplicate was created that holds all of the personality and the memories of the original. Or...*almost* all. Nate's backup didn't extend to the days preceding his murder, leaving him searching for answers about who would kill him, and why. Now, after weeks spent attempting to solve his own murder with the help of his best friend and betrothed, Nadia Lake, Nate has found the answers he was seeking...and he doesn't like what he's discovered.

The original Nate was killed because he knew a secret that could change everything. Thanks to Nadia's quick thinking, the two of them hold the cards now—or think they do.

Unfortunately, neither of them fully understands just how deep the conspiracy runs.
