Ripple Effect Traci Hunter Abramson

Kylie Ramsey is supposed to be invisible. In fact, to keep her unnoticed, the FBI has changed the world-class swimmer's identity and moved her twice in the last year. However, there are still a few people who would quickly recognize her. One of them is Matt Whitman, the man Kylie could have easily spent eternity with. The other is Judge Rush — the man who wants Kylie dead.

Now the former rising-star athlete is forced to live a life in the shadows. Worst of all, Kylie believes she will never see Matt again — especially now that she lives two thousand miles from his home. But through a twist of fate, or perhaps a fatal FBI clerical error, they both arrive in the same town, and Kylie now struggles between feelings of elation and dread. What was supposed to be a safe haven could become the most dangerous place on earth.
