Let mobile devices transform teaching and learning

Don't just know how to use mobile technology. Know how to use it to transform learning. This refreshingly easy-to-use workbook shows educators how to make mobile devices a natural part of their classrooms by optimizing technology, no matter what the content. Discover:

- **practical mobile device management skills** such as how to project and use devices as a whiteboard and tools to capture student responses.
- **fun strategies students will love** such as teaching vocabulary using text speak and slang or using a digital assistant (like Siri) instead of writing.
- **helpful resources** to enhance professional learning.
