Every year, thousands of women fall victim to abusive relationships and feel powerless to stop it. From physical abuse to hurtful words and harmful emotions, the effects of toxic relationships can be profound and pervasive. In her debut publication, *When Love Hurts: A Pathway to Healing*, author Alexandra Elizabeth explores the steps of healing from toxic and abusive relationships. With sincerity and transparency she tells of her own painful experience and lessons she learned as a result of overcoming a tumultuous physically and verbally abusive relationship. Alexandra takes you through the process of recognizing the signs of an abusive relationship, teaches you how to completely love yourself from within, and finally gives you precious jewels of wisdom to heal from toxic relationships. Written from a strong Biblical standpoint, *When Love Hurts* uses the word of God to annihilate any misconceptions concerning expectations in relationships and will captivate abused women, challenging them to overturn current perceptions about relationships and self esteem.
