Friends--And Then Some (Debbie Macomber Classics) Debbie Macomber

One of acclaimed author Debbie Macomber's classic novels, this tender story of two people daring to be more than "just friends" is available for the first time as an eBook.

Lily Morrissey knows exactly what she wants in a husband: a big bank account. Not that she's greedy or shallow; she just needs the security for herself and her beloved grandmother. But husband-hunting is harder than she expected, especially with her best friend Jake in the way. In fact, Jake—who would be perfect for her if he weren't so committed to everything money *can't* buy—is becoming downright distracting, with those jade eyes and that disarming grin.

All Jake wants is the freedom to sail his boat, write his stories, and live life on his own terms. Then his best friend tells him she's going groom shopping. But Jake can't imagine life without Lily or bear the thought of her in another man's arms. How can a rootless guy living a no-strings existence and a woman looking for someone she can count on both get what they need? By letting their hearts choose love.

BONUS: This edition includes excerpts from Debbie Macomber's *Last One Home* and *The Inn at Rose Harbor*.
