Going for Broke: Deficits, Debt, and the Entitlement Crisis

Michael D. Tanner

Going for Broke: Deficits, Debt, and the Entitlement Crisis Michael D. Tanner

Americans are finally enjoying an improving economy after years of recession and slow growth. The unemployment rate is dropping, the economy is expanding, and public confidence is rising. Surely our economic crisis is behind us. *Or is it?*

In *Going for Broke: Deficits, Debt, and the Entitlement Crisis*, Michael Tanner, a nationally recognized expert on entitlements, health care reform, and social welfare policy, examines the growing national debt and its dire implications for our future and explains why a looming financial meltdown may be far worse than anyone expects. Many politicians on the left and right know entitlements are unsustainable but fear the consequences of reforming them. In contrast, Tanner offers effective reforms to Social Security, Medicare, and Medicaid—changes that will improve our lives as well as prevent a fiscal meltdown. *Going for Broke* will interest every American concerned about our shared future.
