"This Battleground Europe 'special' is a fascinating and highly informative guidebook to the Capital which will be invaluable to those who wish to understand what Londoners went through during the Second World War.

By means of seven easily manageable walks, the reader is transported back to those dark days of devastating destruction. Using rich anecdotes and first-hand accounts the scale of the Luftwaffe raids becomes apparent and the horror of Hitler's V-weapon attacks unfurls.

An original and fascinating way to visit London. "
