Getting Started in Currency Trading is both an introduction and reference tool for beginning and intermediate foreign exchange (Forex) traders. This information-packed resource opens with a description of the Forex market and a section of clearly defined Forex terms with examples. You'll learn how to open your own trading account by following step-by-step instructions and numerous screen shots that show you what expect inside a dealer's trading platform. You'll walk through the physical process of placing and liquidating currency orders. Later chapters introduce various trading strategies and tactics in detail, along with some fundamental and technical analysis that will help you win in the exploding foreign exchange trading market.
