**Sins of Honor (Deathlands Book 110)** James Axler

## **COLLATERAL DAMAGE**

The survivors of postnuclear America struggle against the free fall into anarchy and barbarism. Hot lead keeps people sharp, but it's the fire within that keeps them alive. Ryan Cawdor and his band roam Deathlands searching for somewhere to call home. Until then, it's survival at all cost.

## **LINE OF ATTACK**

New Hampshire is rich with big game, more than enough to feed Ryan and his hungry companions. But claims to a fallen elk get ugly and Ryan is forced to chill another hunter, the self-proclaimed king of the Granite Highlands, over the meat. Soon the hunters become the hunted as the dead man's widow gives chase, armed with predark tanks and heavy artillery. As the kill zone widens across cannibal-ridden lava fields, Ryan and his group search for leverage in the merciless landscape.
