Bloedfamilie (Afrikaans Edition) MS Burger

Die kortverhale in hierdie debuutbundel vorm nie net tematies 'n eenheid nie, maar daar is terugkerende situasies en karakters: twee susters, waarvan een mooier en inkenniger is, 'n problematiese verhouding tussen ma en dogter, lesbiese verbintnisse en 'n onmag om deel van die konvensionele gesins- en familieopset te word. Verskeie sosiale en filosofiese kwessies word op 'n kompromislose en waagmoedige manier aangepak.
