El cielo en un infierno cabe (Spanish Edition)

Cristina López Barrio

El cielo en un infierno cabe (Spanish Edition) Cristina López Barrio

Una apasionante novela ambientada en la época de las brujas y las beatas, de los exorcismos y los milagros, cuando la mística y el fervor religioso convivían con la sensualidad y la magia.

Toledo, 1625. Una mujer se encuentra presa en la cárcel secreta del Tribunal de la Santa Inquisición, acusada de hechicería. Varias personas aseguran que causa enfermedades y desgracias con la sola imposición de sus manos desnudas. ¿Es una bruja o una santa? ¿O quizás solamente una farsante?

La testigo principal es Berenjena, una lavandera del Hospicio de la Santa Soledad de la Villa de Madrid. Su relato se remonta al día en que la acusada, entonces un bebé indefenso, llegó al hospicio envuelta en un chal azul con unos extraños bordados. Tenía una fiebre tan alta que enseguida se temió por su vida. Eran tiempos aciagos en los que la peste negra sembraba el terror. Berenjena quiso indagar en el misterioso origen de la niña pero, a medida que se acercaba a la verdad, más peligrosa era su investigación, y varias personas relacionadas con su nacimiento aparecieron muertas... Las revelaciones sobre su pasado decidirán el veredicto que sellará su destino.

La crítica ha dicho...

«Cristina López Barrio es una verdadera contadora de historias.»

Carmen Posadas

«Una prosa exuberante.»

El Mundo
