When new students join her school, sixth-grader Destiny finds them odd but doesn't give it much more thought. That is, until time is suspended, a portal is opened, and the new oddball students are revealed to be elves! Destiny is whisked away from all that she knew to an unfamiliar world to fulfill age-old prophecies, saving a kingdom and its mystical inhabitants from ruin. Author Haley Armitage spins her epic tale of excitement and adventure in *Into the Realm of Elfrelmy*. Destiny's travels lead her into the realm of Elfrelmey, where she soon learns of her true Elvin heritage and meets new friends Ferenda, a kind but mysterious elf, and Jerg, a stubborn, witty dwarf, who aid her on a journey toward self-discovery. Together they work to overthrow the evil forces led by the wicked Herdoc that threaten to overtake their land.
