Mario De Paz

L'avventura umana (Italian Edition) Mario De Paz

In questo libro viene introdotta l'avventura umana a partire dal concepimento per giungere alla nascita ed alle fasi successive della crescita, soprattutto dell'apprendimento fino all'infanzia.

L'essere concepito viene descritto in forma maschile, ma l'intento è quello di penetrare nel mistero della vita umana senza distinzioni di sesso.

Perciò dobbiamo immaginare che si tratti di un genere "neutro" piuttosto che maschile.

Nella seconda parte, si descrive un sogno in cui s'immagina d'incontrare Nostradamus col quale si svolge un colloquio sulla possibilità di prevedere il futuro e sul significato delle predizioni.
