Monkey: A Journey to the West

David Kherdian

Monkey: A Journey to the West David Kherdian

Part

spiritual pilgrimage, part historical epic, the folk novel

Journey

to the West

,
which came to be known as

Monkey,

is the most popular classic of Asian literature. Originally written in the sixteenth century, it is the story of the adventures of the rogue-trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures. Much more than a picaresque adventure novel,

Monkey

is a profound allegory of the struggle that must occur before spiritual transformation is possible. David Kherdian's masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original.
