The Coming of Wisdom (The Seventh Sword Book 2) Dave Duncan

Wallie Smith is staring death in the face; only a miracle can save him. And then one does! The Goddess appears to preserve his soul, but she does much more than that. She promises to bestow upon him a new and powerful body, and, more important, to endow him with the fabled Sapphire Sword of Chioxin. But nothing in this world or any other comes without a price. The Goddess demands that, for her services, Wallie become her champion. It will be an honor to serve such a presence, to have the chance to be victorious over all challengers. But Wallie and his sword quickly find themselves outmatched in a world of high-stakes magic. Even the Goddess's priests cannot offer any resistance to the invading sorcerers and their quest to conquer souls for the Fire God. Wallie will need to find in himself and in the world the powers that will save all mortals. He will need to find the Coming of Wisdom.
