Confederates in Montana Territory: In the Shadow of Price's Army (Civil War Series) Ken Robison
Confederate veterans flocked to the Montana Territory at the end of the Civil War. Seeking new opportunities after enduring the hardships of war, these men and their families made a lasting impact on the region. Their presence was marked across the territory in places like Confederate Gulch and Virginia City. Now meet the fascinating characters who came to Big Sky country after the war, including guerrillas who fought with William Quantrill and Bloody Bill Anderson, as well as cavalrymen who rode with Confederate legends General Nathan Bedford Forrest and Colonel John S. Mosby. Author and historian Ken Robison recounts where these soldiers came from, why they fought for the South, what drew them to the Montana Territory and how they helped shape the region.
