Terrance Hayes

How to Be Drawn (Penguin Poets) Terrance Hayes

A finalist for the 2015 National Book Award and the National Book Critics Circle Award

A dazzling new collection of poetry by Terrance Hayes, the National Book Award–winning author of *Lighthouse*

In *How to Be Drawn*, his daring fifth collection, Terrance Hayes explores how we see and are seen. While many of these poems bear the clearest imprint yet of Hayes's background as a visual artist, they do not strive to describe art so much as inhabit it. Thus, one poem contemplates the principle of blind contour drawing while others are inspired by maps, graphs, and assorted artists. The formal and emotional versatilities that distinguish Hayes's award-winning poetry are unified by existential focus. Simultaneously complex and transparent, urgent and composed, *How to Be Drawn* is a mesmerizing achievement.

From the Trade Paperback edition.
