Are You Crazy About Your Cat?

During their professional lives spent caring for, writing about, and rescuing cats respectively, Marty Becker, D.V.M, Gina Spadafori, and Carol Kline have seen and heard some amazing, awe-inspiring stories about Cat People and their feline family members. They've also fielded almost every cat-related question under the sun, from the bizarre to the baffling: 'How can I keep my bored kitty entertained while I'm at work?', 'What should I feed my cat if she's getting a bit too 'fluffy' around the middle?', 'How can I put the stops on her shedding--and my boyfriend's sneezing?'

Here, these esteemed experts have compiled a winning mix of true stories that celebrate the unique and life-changing bond between cats and their people in all its glory. And, since sharing your home—and your heart--with a special feline is not without its challenges, they share essential information from top experts in the areas of kitty behaviors, training, nutrition, and preventative health and medical issues. With must-know facts, more than sixty pages of stunning four-color photography, and entertaining true stories, this is truly the 'ultimate' book for ultimate cat lovers.
