There's no place in brooding Dr. Mark Anderson's life for love. He's working temporarily in White Elk as a favor, then he'll be gone—and nothing will make him look back.

Until he meets beautiful single mom Angela and her adorable daughter. The last thing this rugged doctor expected was to lose his heart to these two, but the moment Angela's baby girl utters her first word—*Daddy*—he's wrapped around her chubby little finger!

The time has come for Mark to move on...but now he's looking for a permanent role—as part of their little family!
