## **The Infamous Emperors - The Story of the Roman People vol. VII** Nanami SHIONO

The four emperors who followed Augustus were responsible for securing a vast empire, feeding a nation of ten million people, and coping with a series of natural disasters and economic crises. Where they up to the challenge? Legend has it that Tiberius was feared for his cruelty, Caligula assassinated for his incompetence, Claudius manipulated by his wives, and Nero fiddled while Rome burned. This volume looks beyond the slander to paint a true picture of these four infamous rulers.
