Tiempos de culpa (Spanish Edition) Erma Cárdenas

Galardonada con el "Premio nacional José Rubén Romero", esta magnífica novela ambientada en la Alemania actual es capaz de provocar una fuerte reflexión sobre los problemas que rodean a Europa: la migración, el racismo y el odio producto de la intolerancia. A través de dos personajes marginados y el retrato psicológico de su protagonista, la autora construye una historia cargada de suspenso que mantiene a los lectores al filo de la página. Esta novela nos ofrece una historia intensa, capaz de arrastrarnos a la locura de la actualidad, dejándonos escalar por los estratos de una moral falsa.
