Un entramado de islas: Persona, medio ambiente y cambio climático en el pacífico occidental (Spanish Edition)

Un entramado de islas: Persona, medio ambiente y cambio climático en el pacífico occidental (Spanish Edition)

Este libro ofrece uno de los primeros estudios pormenorizados sobre las relaciones humano-ambientales de una pequeña comunidad austronesia de Melanesia insular: las islas Torres, situadas en una gran frontera marítima entre Vanuatu e Islas Salomón. A través de una minuciosa exploración histórica y antropológica de los conceptos de persona, territorio y medio ambiente en Islas Torres, el autor explica cómo los habitantes de este complejo microcosmos oceánico, este "entramado de islas", se producen a sí mismos y su mundo.
