An entanglement with a werewolf brings unexpected turns.

Scott, a lone werewolf expelled from his pack, bends over backward to give his kids everything he can—including knitting lessons for his daughter. Learning to knit becomes much more appealing with Lucy Jamieson as the teacher. His heightened senses tell him the compassionate and beautiful human might be what he and his little band need, yet getting involved with Lucy means exposing her to his paranormal reality.

Although Lucy's childhood skewed her expectations of family, she recognizes and respects Scott's desire to protect and provide for his kids. When Scott is hit by a truck, Lucy offers to help with the kids--and gets more than she bargained for after learning Scott's true nature. . .
