Story Behind the Book

“While studying American history in high school, I was struck with a strange fascination for the Civil War. That fascination grew stronger when I studied it again in college, and I've visited many of the sites where the battles took place. When I visited the Appomattox Court House in Virginia, where General Robert E. Lee

signed the documents of surrender before General Ulysses S. Grant, I was struck with the thought of creating a series of novels based upon specific battles in the Civil War. I wanted to mold fictional characters with real ones and fill the stories with romance, suspense, intrigue, and the excitement of battle. That's how the Battles of Destiny series came to be." –Al Lacy
