## KINGDOM OF HELL

The damnation and deception that enslaved humanity was exposed after the earth was razed by a nuclear holocaust. As immortal god kings continue to lay claim to the planet, the epic struggle to repossess Earth rages on. The Cerberus rebels fight for mankind's free will and enlightened purpose wherever the battle for freedom takes them. But nothing can prepare them for the bloodred shadows of a new, special hell....

## CITY OF BLOOD

After blasting open the gates of the underworld, the Cerberus warriors face a fresh evil. Deep beneath the African continent, a hidden city teems with bloodthirsty creatures ruled by a vicious queen. As her shape-shifting minions swarm to outmaneuver Kane and his allies, the rebels race to contain the unfurling horror. With the undead descending upon Africa, the warriors must escape a destiny far worse than they could ever imagine—as tortured ambassadors for the vampire kingdom.
