Supercharged Retirement: Ditch the Rocking Chair, Trash the Remote, and Do What You Love [Large Print] Mary Lloyd

Life after retirement is much more exciting if you look beyond what you need for financial security as you prepare for it. Mary Lloyd lays out a whole new paradigm for doing this and shows you how to assess what you really want and need--physically, mentally, emotionally, and spiritually--to make retired life the most rewarding time of all. Supercharged Retirement will help you conquer the emotional and personal challenges of stepping out of the workforce with solutions that work specifically for you.

This book is a valuable wake-up call, particularly if you've been focused on financial planning alone. It will challenge your assumptions about this stage of life, refocus your sense of what's possible, rekindle your passions, and reawaken your drive to spend your time, energy, and resources on what's important to you. You'll discover how to

- Decide if you really want to retire now, or ever
- Design a lifestyle for your post-career years that's right for you
- Find compelling ways to act on what's important to you and maintain your sense of purpose
- Keep your world expanding
- Define strategies for dealing with likely challenges and potential fears

A passionate guide for making these years sparkle, *Supercharged Retirement* turns conventional wisdom about how to prepare for retirement on its ear. It delivers practical, easy-to-read advice about a better way to do it, using humor, anecdotes, and exercises along with a wide range of factual information. If you use this book, get ready to launch. With Lloyd's recommendations, not even the sky is the limit.
