The 4th offering in the ultrafabulous Texas Nights Series, DESIGNED FOR LOVE, is an absolute diamond in a sea of CZ. **It's witty, playful, fun, sexy, erotic, laugh out loud funny, relatable, smart, silly, well written and just plain FABULOUS.**"

-The Romance Reviews

Ashton Davenport: Hot blonde. Old Money. Off-limits.

That's how Mac McLaughlin sees her, anyway. And now that he's enduring a temporary self-imposed exile in tiny Shelbyville, Texas, he's seeing her way too often. Mac only wants to succeed as the contractor for the Lily Lake development in order to rebuild his reputation and return to Dallas, pronto. A sexy distraction like Ashton was not in the plans.

Mac McLaughlin: Hot builder. Cash poor. Hands-on.

Ashton kissed her trust fund goodbye and left her life as a society princess to prove she could make it on her own. Developing Lily Lake is her big chance, but it's hard to stay focused working side-by-side with bossy, rough-around-the-edges Mac. Especially when he pulls off his shirt.

When the discovery of an endangered species derails the project, Mac can't afford to stick around for a stalled job. His and Ashton's explosive chemistry aside, he's outta there...unless she can convince him that they just might be able to build something together.
