Haunted Ozarks (Haunted America) Janice Tremear

Tourists flock to the Ozarks region every year to dip their paddles in the pure waters of its wilderness or lose themselves in the happy bustle of its theme parks. But the serene hills and hollows often hide something darker. The Civil War and the Trail of Tears have marked the region, as did the James-Younger Gang and the Baldknobbers. Ghosts linger in resorts and penitentiaries, while UFO's and buried treasure rest in uneasy graves. Those startled by seeing a hellhound run through their backyard, however, might also catch a glimpse of author Janice Tremear and her team of researchers in hot pursuit of the mysteries of the Ozarks.
