So when her disastrous first encounter with advertising executive Alexander McKnight—a man so gallant he'll overlook the destruction of his office by an out-of-control chimpanzee—blossoms into romance, she finds herself in uncharted waters. She certainly never expected to fall for a man this charming, this flawless, this quickly.

For Alec, Kelsie's devotion to her career is the only thing keeping her from saying yes to the best business proposition of all: a new relationship. But with only so many hours in the day, can she set aside enough time to learn to love again?
