## **Presença no Inferno (Portuguese Edition)** Renato Chiera

Grande chaga das metrópoles brasileiras, as "cracolândias" representam uma realidade que deixa atônitos e desorientados cidadãos e poder público. Elas são o reflexo de uma sociedade também ela doente e drogada. Renato Chiera adentrou nesse "inferno", absorvendo dos drogados não apenas o cheiro acre do crack, mas sobretudo suas histórias, seus dramas, que têm em comum uma profunda ausência de oportunidades, de perspectivas, de amor. O presente livro relata essa experiência do Autor, dando voz ao grito inaudito desses "novos leprosos" de nossa sociedade e apontando, a partir de sua prática, possíveis caminhos de esperança.
