Tres soldados (Spanish Edition)

John Dos Passos

Tres soldados (Spanish Edition) John Dos Passos

Tres soldados es una novela que critica aceradamente el militarismo y retrata a la generación de jóvenes estadounidenses que, como el propio autor, participaron en la Primera Guerra Mundial y vieron pisoteados sus sueños. Los tres protagonistas #Dan Fuselli, Chris Chrisfield y John Andrews# tratan de mantener la cordura y su individualidad en un mundo que los esclaviza física y moralmente. En esta novela, John Dos Passos explora los mecanismos del miedo, la rebeldía y los efectos deshumanizadores de la maquinaria de guerra.

«Hasta que Tres soldados caiga en el olvido y la fabulación alcance la inevitable victoria sobre los hechos, ninguna historia de guerra escrita en Estados Unidos podrá soportar que la comparen con ella, y ninguna historia que sea menos meticulosamente verdadera la superará.»

H. L. Mencken
