## **360-Degree Preaching: Hearing, Speaking, and Living the Word** Michael J. Quicke

With 360-Degree Preaching, veteran preacher Michael Quicke brings expository preaching to a postmodern world. He has witnessed the transforming power of preaching firsthand for more than thirty years and seeks to encourage students and pastors as he teaches them the art of preaching.

Quicke examines the scriptural roots of preaching and its importance throughout church history. He analyzes the current situation and suggests that the way forward lies in a recommitment to preaching's trinitarian dynamic, which Quicke calls 360-degree preaching. The author then focuses on preaching practices and invites preachers to join in the "preaching swim": immersion into Scripture, interpretation, sermon design, sermon delivery, and outcomes.

360-Degree Preaching is a vital resource for preaching students preparing for ministry and pastors looking for fresh insight into communicating to postmodern listeners.
