A magnificent debut about a man's odyssey toward family redemption- with his granddaughter along for the ride

Bill Warrington realizes he has Alzheimer's and his lucid days are numbered. Determined to repair a lifetime of damage to his estranged adult children, Bill takes off with his fifteen-year-old granddaughter April on a cross-country drive, bound for San Francisco, where she dreams of becoming a rock star. As the unlikely pair heads west, Bill leaves clues intended to force his three children-including April's frantic mother-to overcome their mutual distrust and long-held grievances to work together to find them.

In this dazzling road trip novel, James King masterfully explores themes of aging, sibling rivalry, family dysfunction, and coming of age, against a backdrop of the American heartland. Unflinching, funny, and poignant, *Bill Warrington's Last Chance* speaks to that universal longing for familial reconciliation, love, and forgiveness.
