Delft Blue & Objects of The World (Essential Translations Series) Louise Warren

Archives are often depicted as musty repositories, museum cellars, warehouses shoring up retaining walls against forgetfulness and the inevitable erosions of time. Objects deposited in the archives are tucked away for safekeeping. But Louise Warren's archives are not file boxes or document lockers. They are not relegated to closed cabinets in locked rooms. They are where writing goes and what writing does. Delft Blue & Objects of the World represent the first two of Warren's archival trilogy.
