Beware of a bite under a full moon . . . It will complicate your love life.

Celeste has more to worry about than a secret romance with a hot guy from the wrong side of town. That guy, Brandon, is a werewolf. With gossip and hostility swirling at school, it's time to find a cure for his nocturnal condition, and perhaps the one person who can help is his scientist father. But what if a "cure" makes things worse and Brandon becomes a werewolf full time?

To keep Brandon's secret safe, Celeste must hide her relationship with him from her best friends, but with the Moonlight Ball approaching, she must make a choice. Her dream is to go with her one true love—Brandon. But once the sun goes down, the clouds separate, and the full moon appears, could she really walk into the dance on the arm of a werewolf?

In this installment of the sumptuously romantic Full Moon series, Celeste faces her fears and her friends and finds out whether she's strong enough to stand up for herself and her one true love.
