This fanciful book introduces little ones to all the colors of the rainbow—red, orange, yellow, green, blue, pink, and purple—while challenging them to find the hidden butterflies tucked into each color scheme. A red butterfly flies over a landscape filled with apples, ladybugs, roses, and strawberries while a yellow butterfly hovers among ears of corn, sunflowers, lemons, and ducks . . . and so on! Charming rhymes complement cheerful, handmade PLAY-DOH illustrations to create a reading experience that's as magical as it is educational.
