## **Clear Minds & Dirty Feet: A Reason To Hope, A Message To Share** Jon Morrison

A skeptical generation questions the credibility of Christian truth claims. Christians, while believing in truth, are not equipped to explain why their beliefs are true. This is a big problem. This book aims to solve it. Clear Minds & Dirty Feet is an exciting new resource being recommended by pastors all over Canada. This is the book that you can hand to a struggling student, use as a small group or as a reference to strengthen your own faith. With sound logic, clear analogies and a few helpful cartoons, this book will bring clarity to the difficult questions of faith that believers and unbelievers are wrestling with today. There are many important topics covered in this book. Readers will understand the importance of identifying a worldview, cultural misconceptions about faith and science, evidences for the existence of God, the Christian response to the problem of suffering and evil, the historicity and influence of Jesus Christ, and the historical evidence for the claim that Jesus rose from the dead. Every reader will be challenged to embrace the truth of Christianity for themselves and understand why it is a truth worth sharing with others.
