## **Exploring the Black Hills and Badlands: A Guide for Hikers, Cross-Country Skiers, & Mountain Bikers** Hiram Rogers

"Exploring the Black Hills and Badlands" features trips for hikers, skiers, mountain bike riders and equestrians. This fully revised edition has been expanded to include every hiking trail in the region, offering more than 800 miles of trails and off-trail routes to explore. The guide features all new, up-to-date USGS topographical maps, including nearly a dozen new to this edition. Another new addition is a section focusing on family hikes and other information useful to family groups.

What is unchanged is the wealth of interesting history, tips on multi-use activities, and keen insights into the region's natural and geologic features that have made "Exploring the Black Hills and Badlands" the most useful and valuable year-round guide to this stunningly beautiful and vastly popular region.
