Finding Hope: Where to Look for God's Help S. Michael Wilcox

When life's challenges seem overwhelming, where can you turn for help? Using powerful stories from the scriptures, S. Michael Wilcox teaches that hope can be found in looking past obstacles and moving forward with faith, in looking back at past experiences that may have prepared us for future challenges, and in looking for times when the Savior walks with us. On those days when we may wonder if Heavenly Father has forgotten us, we have the assurance that each of His servants will receive "the light of the countenance of their Lord . . . every man in his hour and in his time and in his season" (D&C 88:58). And although it may not be your hour now, He will come because He is aware of us, He knows our needs, and He will bless us.
