Rub-A-Dub-Dub Death in a Tub: A Medical Mystery (A Trish McLeod Myster) Frances E. Hagaman

A Medical Mystery featuring Trish McLeod MD, professor of psychiatry in a southern medical school who falls into sleuthing murder when a bloody corpse is discovered in the bathtub at the local mental health clinic. Fellow faculty members and a high school friend put their obsessive personalities to good use in tracking a murder police have failed to solve. If you guess the killer before the end, you are an exception.

"A wonderful read. I'm so glad we got rid of the bathtub at the Mental Health Center."

~ Daphne Caldwell M.S. director Adult Services, Mental Health Center

"Believable characters you want to know better and some you may not. You will think you know who murdered the woman in the bathtub with each new character. . . however you won't know until the end."

Barbara Manno, Ph.D. Toxicologist

". . . 'Death In A Tub' makes a big splash! Powerfully and passionately written, the characters are reminiscent of Mary Higgins Clark — witty, intelligent, and strong. Just when you think you have solved the mystery. POW! Another twist. This is definitely a Must Read."

Robena R. Petterway, MSW, L.C.S.W., Mental Health Center Manager

"Shocking, fast-paced mystery—an easy read."

Mary Ann Shaw Ph.D. Professor of English, LSU in Shreveport.
