The Howard sisters have welcomed many unusual guests at Grace Chapel Inn, but none more unusual or endearing than the motherless fawn Alice brings home. What will they do with a baby deer? Can they help this orphan find a proper home? Meanwhile, Louise finds herself in a difficult situation when her latest student sits behind the wheel of a car instead of in front of a keyboard. And Jane enjoys the company of a guest who happens to be an antiques expert and shows the youngest Howard a thing or two about kindness, careful shopping and making old things new.
